An Intuitive Session involves messages being passed on from Spirit to you, through Lorraine. The messages do not come from Lorraine and she will not interpret your messages nor offer her own opinions and beliefs. Whatever messages you receive during your session are those that Spirit wants you to have at this point in your life. You are free to heed or ignore any messages you receive as you wish.

A Chakra Balancing session involves Lorraine channeling her Spirit Guide to assist her in cleansing and realigning your 7 Chakra Centres. Lorraine will tell you what she is doing and any messages that are passed from her guide to Lorraine during this session will be passed on to you. Lorraine will not interpret your messages nor offer her own opinions or beliefs. You are free to heed or ignore any messages you receive as you wish.

There are many benefits to these sessions and some include:

- Clarity on questions you have about your relationships, career and health
- Easing of grief and closure with a loved one who has passed on
- Unique insights and knowledge about yourself and deeper understanding of who you are
- Increased energy and a sense of calmness

While there are many benefits, the nature of the messages you may receive may leave you with feelings that include, but are not limited to:

- Confusion about your decisions
- Unsettled feelings
- Sadness
